1	Design Championship 2018	<p>Yash Lulla (Grade X Ekam), Jayaditya Shah (Grade X Ekam) and Pratham Gohil (Grade X Ekam) won the Design Championship 2018. Design Championship supported by NASCOM is an interschool competition held across different cities for learners to showcase their talent. The competition was held across India in 8 cities viz. Delhi, Bengaluru, Chennai, Hyderabad, Madurai, Coimbatore, Kochi and Mumbai. At the Mumbai leg of the championship, learners from different cities of Maharashtra participated in the competition.</p> <p>The learners participated in a Game Design (game development) competition. The theme given to the participants was 'Future and/or River'. The team had 7 days to submit a workable game. Our learners chose "River" bearing in mind the sustainable development goals of the UN - which is the underlying philosophy in everything that the school does.</p> <p>The game story designed by our learners was about a drought-hit village which needs to be saved. In the game, the gamer has to get water for the village to save the people and animals from any casualty. The game has 10 levels of difficulty where the 1st level is the easiest and 10th is the toughest. Learners were judged on the following criteria:</p> <ul style="list-style-type: none"> <li>· Relevance of Theme (20%)</li> <li>· Fun Engagement (20%)</li> <li>· Game Play (40%)</li> <li>· WOW Factor (Originality &amp; Creativity) (20%)</li> </ul>
2	F1 in School™ West India Regional Finals	There were 2 teams which participated from our school - 1 team - Team Aerodrive (consisting of a Grade IX and Grade VII learners) has qualified for the F1 in School™ National Finals
