1	AFS Global Peace Fest	Our learners Uvika Bhattacharya of Grade IX Ena and Trisha Shetty of Grade X Ekam qualified for the Final round which was conducted at Bennett University (Times of India Group), Noida. The final round included many activities and rounds of competition and we are extremely pleased to share that Trisha Shetty was one of the top rankers out of hundreds of learner-participant rankers and she has secured a year-long scholarship for an Academic programme abroad. She happens to be the winner from the Mumbai chapter. The AFS Programme is an excellent programme for learners to begin their global exploration and gain a better and stronger understanding of India and the world. At the same time, learners get an

opportunity to enhance personal and cross-cultural communication skills which proves to be a great asset, not forgetting the chance to interact with learners and young adults from various countries who participate in this programme.
